

ANIMAL WELFARE POLICY

Inhumane treatment or abuse of an animal in any manner in the arena or on the grounds is prohibited.

Inhumane treatment includes the riding of a crippled, lame or injured horse or a horse with any health abnormality which could result in that animal's undue suffering or distress.

Any act of abuse, or intent to abuse an animal in the arena or the grounds which could endanger the safety of other persons or animals will be dealt with by the committee.

If the organising committee discovers inhumane treatment or abuse of livestock, it may immediately prohibit the responsible party from any further participation in the event.
